MUSEUMLAB FOR MUSEUM PROFESSIONALS

SECTION 2 - ESSAY QUESTIONS

- Provide an image or file showing a project (an exhibit, program, artwork) that demonstrates your creativity and iterative process.
- Describe the project shared in the above question and explain your role in shaping it, including one or more of the following: decisions you made, actions you took, challenges you solved, and/or your ideas for a future iteration or extension.
- How are you positioned within your organization to implement new creative experiences?
- What do you most hope to gain from participating in MuseumLab for Museum Professionals? Include 1-3 questions that you hope to explore through this program.
- Describe what your participation would contribute to the MuseumLab for Museum Professionals experience for others in the program.

SECTION 3 - SUPPLEMENTAL INFORMATION

- Please provide a letter of support from your supervisor, department director or executive director for your participation in this program. (File must be PDF)
- Please use this space to share anything relevant to your application that you don't feel was covered in the questions above.
