

I AM WILD: A Charley Harper Exhibit, is a new traveling exhibit inspired by the artwork of Charley Harper and the 'I Am Wild' series of children's books about biodiversity. Explore 6 habitats: City, Desert, Ocean, Rainforest, Sky, and Woods, each filled with colorful animals, insects, and birds depicted in Harper's iconic Minimal Realistic style. Through a collection of immersive play experiences and learner-driven, art-making activities, visitors will find joy in discovering the diversity and interdependency of life in the natural world.

Interactive Habitat Poster Walls

Tactile, multi-sensory interpretations of Harper's iconic posters representing the featured habitats.

Woodland Ball Run

Playful discovery game of hide & seek with different animals and insects found in the woods.

Ocean Races

Mechanical race through the ocean with different aquatic creatures navigating their environment.

Be Wild Imagination Habitat

Immersive interpretation of Harper's habitats with room to 'be wild' like your favorite creatures.

Art Studio

Engaging art making activities that emulate Harper's practice and minimal realistic style.
